Adult Career Training Program (32 students)

TAKE-HOME DINNERS

The Adult Career Training at WMCAT runs 4 days a week, and students are required to be present while also completing homework at home. On top of that, most students have children and work a job while in training. We would love your help to remove one task off of their to-do list - dinner! Please consider providing a meal for our students who are juggling a very full schedule as they work to provide income security for their families. Meals cost around \$5 per student, \$160 total.

HOLIDAY GIFT BAGS

Help spread the holiday cheer by making some gift bags for our students in our Adult Career Training program! Past gift bags have included items such as: Blankets, mittens, scarves, candles, etc. This is an opportunity that can be done at your office or at home! Bags cost roughly \$20 per person, \$640 total.
